Service Agreement / Contract for Pet Sitting Services

The client agrees as follows:

Wag Wagon Pet Services agrees to provide services stated in this contract in a reliable and trustworthy manner. In consideration of these services the client expressly waives any and all claims against us, unless arising from negligence on the part of Wag Wagon Pet Services.

Wag Wagon Pet Services or its employees shall not be held responsible for the loss, injury, death, or actions of any pet that the client has let outside. Wag Wagon Pet Services does not service pets that have unsupervised outside access during any portion of the sitter commitment.

The client understands that all pets (where appropriate) must have a veterinarian and must have current rabies and other vaccinations. A copy of all vaccinations must be provided prior to services being rendered and yearly thereafter.

All dogs must wear an appropriate sized collar with current town license and rabies tag **affixed**.

All pets with electronic fences must wear collars with fresh batteries. We are not responsible for any animals that cross the perimeter due to outdated batteries or electronic collar/fence failure.

We do not diagnose or make therapy decisions, nor offer veterinary services; all veterinary/medical concerns will be referred to a veterinarian.

We will not accept time specific calls, as we cannot guarantee specific times accurately. A three hour window is acceptable.

We reserve the right to deny service or terminate service because of safety concerns, financial concerns, or inappropriate or uncomfortable situations.

We reserve the right to take pet(s) to vet. Client is responsible for all charges.

Client is responsible for making arrangements for snow removal. Visits may not be made in snow/ice covered driveways and/or walkways because of safety concerns.

This service agreement and contract will remain valid for future service(s), with the exception of any agreed upon changes in fees, visits and times.
